GCH PATHWAYS

# DUAL ENROLLMENT PROGRAM OVERVIEW DOCUMENT

*"Don't just finish high school. Start what comes next."*

PURPOSE

This document provides families with a comprehensive overview of the Generations Pathways Program, helping students discover their God-given calling, earn early college credit, and prepare for what comes next.

## What is the Pathways Program?

The Pathways Program offers incredible opportunities for high school students to achieve college transferable credit during their high school journey, **all while counting towards high school graduation at the same time.** This means that unlike a traditional high school course, Dual Enrollment can help your student earn their college degree quicker, save thousands of dollars on college tuition, and get an early start on developing their vocational skills even before stepping foot on a college campus as a full-time college student.

## Why the Pathways Program?

High school shouldn't leave your family searching for clear direction or struggling to discern God's calling. GCH Pathways directly addresses key challenges faced by your student and you as the parent:

- **Uncertainty in Finding Purpose:** Solved through Christian formation and guided mentorship that connects personal gifts with God's calling.
- **Decision Paralysis:** Simplifies overwhelming choices by providing structured Tracks and clear Routes into college, trades, or ministry.
- **Balancing Calling & Financial Stability:** Builds a practical, sustainable career plan while earning early high school and college credits.

- **Risk Aversion:** Offers low-risk early progress so students step confidently into their future without wasted time.
- **Community:** Simply taking a dual enrollment course online at home can be straining. With Pathways, you have direct access to teachers at our school who will tutor and advise you on an as needed basis. What is more, any other dual enrollment students can all come to Generations on study hall days to work with one another in a group setting.

## Architectural Roadmap

GCH Pathways uses a structured three-level framework to guide students from exploration to execution:

**GCH Pathways** (Umbrella Program) → **Tracks** (Destination Categories) → **Routes** (Specific Institutions, Programs, and Pace).

While this is simplified for now, you can view the graphic further down to see the full process from interest, all the way to advising on page 3.

## Suggested Student Progression

- **8th – 9th Grade** (**Preparation**)**:** Focus on study skills, academic writing, research, time management, standardized testing, GPA development, and career exploration.
- **9th – 10th Grade** (**Entry**)**:** Qualified students begin taking 1–2 dual enrollment courses.
- **10th – 11th Grade** (**Acceleration**)**:** Students advance toward 2–3 dual enrollment courses, or take one course if necessary per semester.
- **11th Grade** (**Launch**)**:** Strong students take 3–4+ dual enrollment courses while completing Highschool diploma requirements.

# PATHWAYS PROGRAM

Don't just finish high school. Start what comes next.

## 1 FIND YOUR TRACK QUIZ

### START THE JOURNEY

- Find Your Track Quiz
- Discover Pathways
- College Track discovery
- Collect basic information (name, contact, etc.)

## 2 PATHWAYS ASSESSMENTS

### PATHWAYS ASSESSMENTS

DISCOVER A WHOLE PICTURE OF YOUR STUDENT

**SPIRITUAL GIFTS TEST**

- Unique spiritual alignment
- Biblical worldview fit

**PERSONALITY TEST**

- Unique personal design
- Strengths and working style
- DISC profile exam

**MATCH MY INTEREST TEST**

- Discover my career sector
- Identify strong specific occupations that fit my personality

**UNIFIED CALLING**

SYNTHESIZE RESULTS INTO A CLEAR PICTURE

## 3 ROUTE SELECTION

### IDENTIFY THE BEST DIRECTION

CONSULTATION HERE

ACADEMIC DEGREE? | INSTITUTION? | PACING?

**CAREER & COLLEGE VERIFIED**

CONFIRM A VIABLE, ALIGNED PATH

## 4 COLLEGE ENROLLMENT

### EXECUTE THE PLAN

CONSULTATION / TUTORING

**CONSULTATION**

GUIDANCE & STRATEGY

- Direction and next steps
- Degree and career change guidance
- Course selection
- Institution and program recommendations
- Personality and calling integration
- Spiritual gifts application
- Ongoing consultation as needed

**TUTORING**

ACADEMIC & PERFORMANCE SUPPORT

- Online course mentorship
- Academic communication mentorship
- Class and homework support
- In-person interactions and accountability

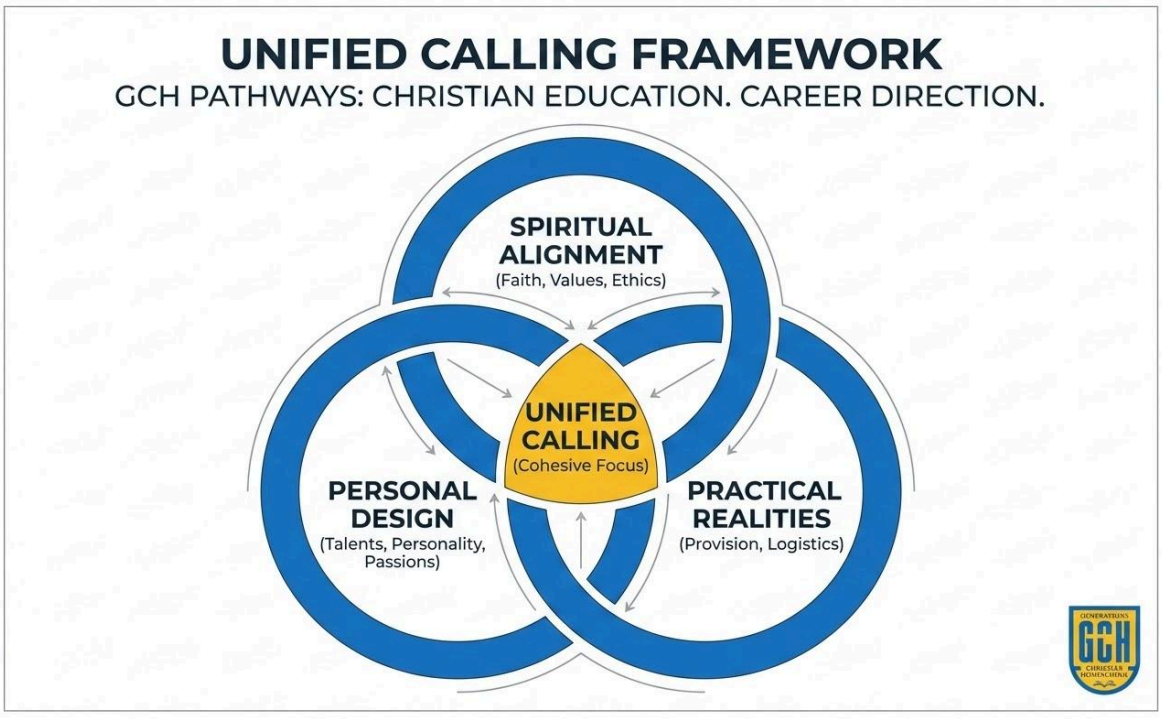

## Track Summary

- **College Launch Track:** A broad platform to build transferable college credit, explore vocational direction, and earn an Associate degree prior to high school graduation.
- **Skilled Trades Track:** For students pursuing careers in trade professions, general construction, or technical fields, earning industry credentials and hands-on preparation. **NOTE:** This is locally hosted through Palm Beach State, and course offerings are subject to change semester to semester.
- **Ministry Track:** Designed for students discerning biblical, theological, or pastoral service, connecting academic preparation with local-church discipleship and leadership formation.

## Unified Calling Summary

The Unified Calling framework integrates three dimensions to bring deep clarity to each student's vocational journey:

- **Spiritual Alignment** (**The** "**Why**")**:** Faith, values, and spiritual gifts that honor God through purposeful work.
- **Personal Design** (**The** "**Who**")**:** Talents, personality, and temperament God uniquely built into the student.
- **Practical Realities** (**The** "**How**")**:** Suitable Careers, qualified jobs, workforce sector exploration.

## College Options Overview

Through GCH Pathways and our network institutions, students can access approved dual enrollment options across several respected institutions nationwide:

| | Institution | Highlights / Primary Use |
|---|---|---|
| | **Colorado Christian University** (**CCU**) | 100% online dual enrollment; global access; 30+ courses & AA pathway. |
| | **Houston Christian University** (**HCU**) | Flexible online dual credit; general education & liberal arts focus. |
| | **Southeastern University** (**SEU**) | Asynchronous 8-week online courses; strong ministry foundations. |
| | **Jessup University** | College Fast Track online courses; multiple start dates year-round. |
| | **Dallas International University** (**DIU**) | Synchronous virtual video courses; world languages, missions, & global studies. |
| | **Palm Beach State College** (**PBSC**) | Local Florida dual enrollment; highly flexible, AA-degree focus & trade credentials. |
| | **Florida Atlantic University** (**FAU**) | Local university experience for high-achieving public research route students. |

# Pricing

Generations Pathways aims to maximize affordability and value for homeschool families:

- **Find Your Track Quiz:** Free of charge to generate initial directional clarity.
- **In-State Florida Public Institutions** (**PBSC** / **FAU** / **SEU**)**:** Little to no tuition cost for eligible dual enrollment students.
- **GCH Consultation & Tutoring:** Tailored degree mapping, course selection, career direction, and academic aid when you need it.

| Category | Other Academic Advising/Tutoring/Coaching | GCH Price |
|---|---|---|
| Entrance Fee | $0 | $250 |
| Semester Fee | $9,750 | $550 |
| Additional Tutoring/Consulting Fee | $150 - $350+ | $85/ hour |
| **TOTAL** | **$10,100** | **$800** |

# Begin Today

We understand dual enrollment can be a daunting task. That is the force behind why we at Generations wanted to begin this program in the first place! You are not alone in wanting your student to achieve great things. To begin today, go to:

1. Generations.school
2. Click 'Academics' in the top banner, and then click 'Dual Enrolment.'
3. Navigate to and click the 'Find My Track' button.
4. Take the 'Find My Track Quiz'

Once completed, you will have the option to discuss enrollment into the program from a Pathways Administrator.
