

Part-Time Contractor: Elementary Mathematics Teacher (Grades 3-5)

School: Generations Christian Homeschool

Job Summary

Generations Christian Homeschool is seeking a passionate and dedicated Part-Time Contractor to teach Mathematics to students in grades 3 through 5. The ideal candidate will be committed to integrating a Christian worldview into all aspects of the curriculum, fostering intellectual curiosity, and promoting academic excellence within a supportive faith-based environment. This contract position requires expertise in developing and delivering engaging, age-appropriate lessons that align with the school's educational standards and Christian mission.

Key Responsibilities

Instruction and Curriculum

- Develop and implement engaging, project-based lesson plans for 3rd, 4th, and 5th-grade Mathematics classes.
- Integrate biblical principles and a Christian worldview seamlessly into all subject matter and classroom discussions, helping students recognize the order and design of God's creation as expressed in mathematical principles.
- Adapt teaching methods to meet the diverse learning needs of students, promoting critical thinking and problem-solving skills.

Assessment and Reporting

- Evaluate student performance through various assessment methods, including tests, projects, and presentations.
- Maintain accurate records of student progress and communicate regularly with parents and school administration regarding student achievement.

School Community

- Participate in required faculty and contractor meetings and professional development opportunities as outlined in the contract.
- Uphold the school's mission and vision statements and behavioral standards, modeling Christ-like behavior for students.
- Collaborate with other faculty and staff to support the school's overall educational mission.

Qualifications

- Bachelor's degree in Education, Mathematics, or a related field.
- Prior teaching experience, particularly at the elementary or middle school level (grades 3-5 is a plus).
- Demonstrated knowledge and passion for elementary mathematics content.
- Strong verbal and written communication skills.
- Commitment to the integration of faith and learning in the classroom.
- Ability to work effectively as an independent contractor, managing time and responsibilities efficiently.

Employment Details

- **Position Type:** Part-Time Contractor (W-9)
- **Schedule:** Flexible Hours
- **Compensation:** Commensurate with experience and based on a pre-determined contractor rate.
- **Contract Term:** August 2026 – May 2027

How to Apply

Interested candidates should submit a resume, a cover letter detailing their teaching philosophy and Christian faith commitment, and professional references to  Person at info@generations.school.
